

Survey of Safety Issues: Pedestrian Crossing at East 26th Street & 11th Ave South (by Stewart Park).

1. Please Complete this Survey of Safety Issues at this Intersection. Thank You

1. How often do you walk across this Intersection?

- At least once a day.
- Several times a week
- Several times a month.

2. Do you feel safe crossing this intersection at East 26th Street & 11th Avenue South, by the Soccer Field?

- Yes - no problem at all.
- No - very concerned about safety for myself, children and others trying to cross.

3. Currently there are no "Playground Ahead" or "School Crossing Ahead" signs to alert drivers approaching this intersection. Should these signs be posted on East 26th Street? If so, which signs and how Important or necessary are they?

	Very Important	Maybe Important	Somewhat needed	Not Necessary
School Crossing Ahead	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Playground Ahead	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Soccer Field & Park Ahead	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

4. Does the 2-Lane Traffic with a separate Bike Lane make you feel safer crossing this Intersection?

- Yes - There are less cars approaching the Intersection.
- No - Cars travel just as fast, or faster, because bicycles now have their own lane.

5. It has been observed that during Rush Hour in the late afternoon, traffic congestion can backup the cars traveling on East 26th Street, causing the cars to come to a complete stop and block this intersection. What has been your experience when trying to cross this intersection during Rush Hour.

- Very difficult because there is a great deal of uncertainty when trying to cross at this time of day. Not knowing if the drivers see me between cars.
- Moderate difficulty, because some cars are stopped, but some may still be moving.
- No difficulty, because the cars are completely stopped.

Other comments and observations:

6. Would you like to see a Pedestrian Crosswalk at this Intersection ?
