Citizens Academy Certificate: Attended 10 Classes sponsored by the Minneapolis Police Department to learn more about Police Work and the various aspects of Law Enforcement. It was an excellent class. We were provided presentations by Special Units regarding the Crime Lab, Use of Force, Patrols, Arrests & Procedures, Drug Enforcement, Homicide Unit, SWAT Team and "Shoot don't Shoot" scenarios. The most heartbreaking stories were told by the Police Chaplains. I have always respected the Police for their individual sacrifice and dedication, now that respect is 10 times greater.
